

BOISSONS GAZEUSES SEBASTIAN

FMCG Product Catalogue 2026

Beverages, snacks and personal care from Europe's leading brands. Any reference you need, sourced and delivered across Europe.

ABOUT US

Your European partner for A-brand FMCG

Boissons Gazeuses Sebastian is a Paris-based trading company. We buy and sell fast-moving consumer goods and deliver them to wholesalers, retailers and distributors across Europe.

Beverages are our core business. We also supply snacks and confectionery, personal care, food and household products. From every brand in this catalogue we can source the references you need, so you can cover several categories with one supplier and, when it makes sense, in the same truck.

Pallet to full truck

Single pallets, mixed loads or full trucks.

Delivered across Europe

Transport to your warehouse (DAP) or collection at the loading point (EXW).

Any reference

Flavours, sizes, packs and label languages sourced to your list.

Full paperwork

Invoice, packing list and CMR with every shipment.
